### Player pathway and groups for next term.

If you feel your child is ready to move up to the next level or into an advanced squad please come and speak with one of the coaches and we can advise if it is the right time to move.

Players moving into advanced squads or moving up a ball colour should be able to serve consistently from the baseline and rally from the baseline. Please don't hesitate to ask and we will advise what the next best step would be.

## Weather policy (not wet weather)

It is important to us that you have every opportunity to get your 8 classes in that you have paid for, however **this must be done within the current school term**. If a class is missed due to sickness, holiday etc, then please come to a makeup class within the same school term. Please let us know which class this may be so we can make sure we have enough coaches. However fees or classes cannot be transferred across terms unless special circumstances arise. If we have had to cancel then a make-up session will be added at the end of term. Thank you for your understanding.
